

Bishophorpe Camera Club Syllabus 2010-2011

- September 7 **What does this thing do? - Digital Cameras Made Easy**
Digital cameras come with many options; it's easy to get confused by them, even if you're a so-called "expert"! Bring your cameras, instruction books and any other gear you may have so that we can try to provide information on what's-what.
- September 21 **Nature Table.**
A practical evening with lights, studio flash and table top arrangements. Bring your own "Natural History" subjects to photograph and, of course, don't forget your cameras. There'll be tuition and guidance available for those who require it.
- October 5 **Listen to more Pictures.**
Allan Green's inspiring audio visual presentations are legendary. This is bound to be one of those great evenings you'll never forget.
- * Please ensure that entries for the first projected image competition are submitted. We must have entries at the meeting or earlier, no exceptions!*
- October 19 **Projected Image Competition - A.**
Always a popular and eagerly awaited event. Come and see how your three, open images fare in a competition against those of other club members. Do remember that Judges are an endangered species - be kind!
- November 1 **YENRIC (York, East & North Riding Inter-Club)**
Projected image competition held at Howden Camera Club.
Special subject: "**Power**"
Come & support your club.
- *There is another **YENRIC** competition on the 17th January. Special Subject: "**Ruined**"*
- November 2 **My Favourite Things**
Come and see what aspects of photography interest and inspire some of your fellow club members. Expect a varied and stimulating evening of photography, fun and entertainment.
- * Please ensure that entries for the print competition are submitted. We must have entries at the meeting or earlier, no exceptions!*
- November 16 **Print Competition**
Please remember the rules for mounting and presenting your colour & monochrome prints on 40 cm X 50 cm board. Mounting in this way has made our displays & competitions look better than ever before.

November 30 **A Naturalist's Year**
Terry Weston is a first class wildlife photographer who has won many awards and had his work frequently published. After Terry visited us in 2006 there was an immediate request that we should ask him to return. So here he is, and there's no doubt that we're in for another superb evening of pictures that will be an inspiration to all.

December 14 **Projected Image Knockout Competition.**
Remember to provide three digital images for projection so that fellow members will be able to choose their favourite by a process of elimination. Always a popular and fun night.

MERRY CHRISTMAS & A HAPPY NEW YEAR TO ALL OUR MEMBERS

January 4 **Annual club Buffet.**
Our club social. Don't forget to bring your contribution of festive nibbles and tipples for a good night out.

January 17 **YENRIC (York, East & North Riding Inter-Club)**
Projected image competition held at Howden Camera Club.
Special Subject: "**Ruined**"
Come & support your club.

**There is another YENRIC competition on the 7th March.
Special Subject: "**Combustion**"*

January 18 **"Cartier-Bresson" & "Principles of Composition".**
Frank Ash ARPS, is the Yorkshire Regional Organiser for the Royal Photographic Society and a dedicated photographer and teacher of many years. Expect an intriguing, thoughtful and very entertaining evening from an accomplished photographer.

February 1 **Wildlife through the Lens**
The renowned father and son duo **Lee Davis LRPS & Alan** pay us a visit to entertain us with their wonderful images of wildlife captured through the lens. If you're not already a natural history enthusiast, you will be after this evening.

** Please ensure that entries for the second projected image competition are submitted.
We must have entries at the meeting or earlier, no exceptions!*

** Last chance to submit your prints for inclusion in the Member's Print Exhibition on
March 1st.*

February 15 **Projected Image Competition - B.**
*Discover how your remaining three images for projection fare against the tough competition put up by other club members. Remember that one of your images should be for the **Yenric** set subject; "**Combustion**". This looks like a hot subject to deal with.*

- March 1 **Mainly Mono.**
Expect the feel-good factor when **Tony & Marjorie Furnston FRPS**, make their practical demonstration of Photoshop look easy and fun. They are both highly regarded photographers and Photoshop wizards. Their interesting, often unconventional, humorous & instructive presentation should not be missed.
- * Member's print exhibition*
- March 7 **YENRIC (York, East & North Riding Inter-Club)**
Projected image competition held at Howden Camera Club.
Special Subject: "**Combustion**"
Come & support your club.
- March 15 **Portrait & Studio night.**
Another chance to take great portraits this evening. We'll even provide you with a model for the occasion. All you have to remember is to bring your cameras and other photographic kit.
- March 29 **Portfolio Competition**
Your portfolio set of six mounted prints or six images for projection, all on a theme of your own choosing, will be judged this evening for photographic competence and overall coherence. Your set of pictures must have a unifying title and members are invited to include with their entry a short statement of how the images are linked.
- April 26 **Members Evening.**
An evening of discussion and demonstration on topics of photographic interest suggested or requested by the club members during the season. Another chance to learn and share photographic expertise. In order to allow members to prepare answers, examples and visual aids, questions should preferably be submitted to the committee at earlier meetings.
- May 10 **Members Audio Visual Sequences.**
After many expert shows, demonstrations and explanations, it's your turn again to present to the club your own AV sequences. The sequences may be slide-tape or digital and should be no longer than 6 minutes each.
- * Please ensure that entries for the annual print & projected image competitions competition are submitted. We must have entries at the meeting or earlier, no exceptions!*
- May 24 **Annual Print Competition**
Our end of season celebration of the best in the club. Even if you haven't entered anything in the competitions, come and see what makes Bishopthorpe Camera Club so special.

June 7

Annual projected Image Competition.

** Member's print exhibition*

**Please don't forget to return all your gleaming trophies. This means you, Bryan!*

June 21

A.G.M. - Certificates and Trophies

The Annual General Meeting and your chance to participate in how the club is run. Followed by a presentation of trophies & certificates.
